TOWN OF ASHLAND PUBLIC HEARING

ASHLAND RECREATION BUILDING (57 Oak St.)

Wednesday – January 22, 2025

6:30 P.M.

PUBLIC HEARING

The purpose of this meeting is to allow the Public to comment on whether the town should approve or disapprove the continuance of fluoridation in the public water supply for the Town of Ashland. The Ashland Town Council and representatives from the Ashland Water District will be in attendance to answer questions regarding the referendum vote on March 17, 2025.

The statutory wording for the fluoridation referendum is:

“Shall fluoride be added to the public water supply for the intended purpose of reducing tooth decay?”

“Yes” means yes, **“No”** means no
