To ensure participation in this municipal function, we would appreciate it if you would notify the Town Office of any specific requirements you may have due to a disability.

At all regular/special meetings, the Ashland Town Council reserves time for all citizens and taxpayers of the Town to address the members of the Council in “Public Comments” with any issues that may concern them. This will also be observed for “Public Hearings being conducted at regular/special meetings. This tradition is the appropriate time for public comment. Please be aware that following “Public Comments or Public Hearing” section of the agenda, the public is invited to observe the rest of the meeting, however, should remain quiet unless asked a specific question by a Councilor. This policy, which is accepted by the Maine Municipal Association, allows the Council to complete its business during each meeting without disruption. Thank you for your adherence to this policy.
