This will also be observed for “Public Hearings being conducted at regular/special meetings. This tradition is the appropriate time for public comment. Please be aware that following “Business from the floor or public hearing” section of the agenda, the public is invited to observe the rest of the meeting, however, should remain quiet unless asked a specific question by a Councilor. This policy, which is accepted by the Maine Municipal Association, allows the Council to complete its business during each meeting without disruption. Thank you for your adherence to this policy.
